

CHAIR: **Giulio Marini**

31 August - 2 September

Università di Catania

Dipartimento di Economia e Impresa - Corso Italia 55, 95129 Catania

**REDEFINING HIGHER EDUCATION
IN AN ERA OF SHIFTING GEOPOLITICS**

CONFERENCE USEFUL INFORMATION

Logistic info

The Conference is taking place in the two main buildings of the Department. Transfers from one building to another are few hundred meters long (according to Google Maps it is a 250mt trip, but we know a shortcut that we will show you to enter from the rear of Palazzo delle Scienze). Some bus stations, including Alibus from and to the Airport, are reported in blue in the picture below. The red "Italia" dot is the respective underground station, suitable for those dwelling in the city centre (presumably the most common and closest station to the very centre is "Stesicoro").

Palazzo Fortuna is hosting the Keynote Speeches and the ChER Assembly only due to the number of seats constraint.

In the following pictures below you see the classrooms where regular sessions and panels are organized. There are 7 classrooms on second floor (**Aule 1, 4, 5, 6, 7, 8, and Magna**), and 1 in ground floor (**Aula 14**).

Please, prefer to use the staircase if you can. Elevators are present, nonetheless. Please, acknowledge that for each classroom there is a maximum number of persons who may enter, which is equal to the number of seats. If a session is crowded to such an extent that there are no more available seats, you are invited to choose another session to comply with safety regulations. Poster sessions, Coffee Breaks and Lunches are served on Second Floor.
